# Looking Over the Edge

[www.studentslead.com](http://www.studentslead.com)

FALL

2008

## Don't Miss the Edge Club All Nite Celebration!

'Twas the night before New Year's and all through the crib, everyone was chillin' and eating some ribs. We were so bored, we played truth or dare. I wish that we

Dreaming of Eden and Myrrh would be here! I knew that my hope for fun was in sight, happy new year to all, it's time to stay up all night!

It will also include basketball, walleyball, food, cosmic bowling, skating, games, videos, multi-media, lots of laughs, tons of fun and a chance to make friends.

hadn't cuz I shaved off my hair. But then we recalled the all niter with Edge. The strength of our boredom would soon be dead.

Away to computers we flew like a flash, for registrations to an all nite bash.

When what to my wondering eyes should appear,

Mmm hmm. It's that time of year again. On **Friday, January 2** Edge will host its annual all nite celebration.

Join up with hundreds of other students for this great night. It includes the comedy of Daren Streblov as well as music by Myrrh and Dreaming of Eden.

This night only costs \$45 if registered by the early bird or \$50 if registered after the early bird.

For registrations, visit us at [www.studentslead.com](http://www.studentslead.com). If you have any questions, don't hesitate to call us at 703.393.9003 or email us at [info@studentslead.com](mailto:info@studentslead.com).

## What Does **EDGE** Stand For?

### Week 1 **E**valuate

Get to know your members through small **SOAP** groups. Share current impacting **Scriptures** and your **Outreach** plans. Use **Action** points to explain what you are learning and **Pray** for each other.

### Week 2 **D**eclare

Be bold, share, and build one another in Christ. Share what God is currently doing in your life using testimonies, poetry, and other creative ideas.

### Week 3 **G**rowth

Put your faith into action. A call is raised for each student to grow in faith and become more devoted to Jesus.

### Week 4 **E**ncounter

Invite non-Christian friends to a club designed to introduce them to Jesus through guest speakers, testimonies, worship and skits.

# Campus Missions 2008

**Pray.  
Worship.  
Go!**

This year's Campus Missions conference was a great success with over 150 coming out in spite of a hurricane.

The new interactive set up of the conference allowed students and adult leaders to "attend" an Edge Club with hands on workshops.

They were able to experience what Evaluate, Declare, Grow, and Encounter weeks at their club would look like.

Our friends from Masters Commission also came out and performed a percussion set, drama, and led us in worship much like they would at an Edge Club.

Kevin Dawson was our speaker and gave a powerful challenge to the students while Chasen, a new Christian band, rocked the house with worship and original songs.

God really used this conference to prepare our students for reaching their campus for Christ in this new school year!

## Meet the General

What many students may not realize is that we have a great list of speakers available to come and speak to their clubs. One such speaker is General Jerry Curry. General Curry is a soldier, a government leader, and served in the military for 34 years. He was described as "The ablest tactical commander in the entire American army." General Curry fought in the War in Vietnam and has a deep faith in God that has guided him throughout his entire life. The General recently visited Battlefield High School's Edge Club and had a great time with the students.

If you are looking for a speaker for your Edge Club, please visit the Resource section of [www.studentslead.com](http://www.studentslead.com) or email us at [info@studentslead.com](mailto:info@studentslead.com).

### 2009 Upcoming Events:

January 2-  
All Nite  
Celebration

September 12-  
Campus Missions  
Conference

Recently Edge Clubs had an opportunity to seek help from the local church by being sponsored as one of their missionaries that would be supported through prayer and finances. We view Edge Clubs as a mission field and our students as missionaries to their friends who don't yet know the love of Christ. If you or your church would like to begin supporting Edge Clubs and our student missionaries please prayerfully consider how the Lord would lead you to do so. We covet your prayers for our students and staff. If you are interested in supporting Edge financially, please check out the information on the next page. Thank you!

For more info on how you can help Edge Clubs email [info@studentslead.com](mailto:info@studentslead.com)

# A Newborn Edge Club

On November 12, 2008 the Hayfield Edge Club was born weighing a full 25 students. We caught up with Youth Pastor and campus coach, Dustin Pinto, for his thoughts on the new club. "I had been trying to start up the club for some time, but as you know, I, as the youth pastor, am not the one to start the clubs.

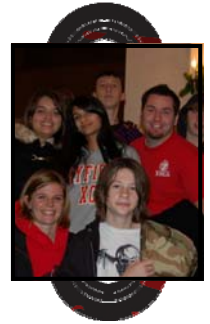

God had to put the vision in the hearts of the students. I took seven students to this year's Edge Campus Missions conference where they were challenged and inspired to start a club at their school, Hayfield Secondary.

They met with a youth group at another church that has a lot of students that attend Hayfield to start planning together. Hayfield is a mixed middle and high school, and is one of the largest in Fairfax county. It is also one of the first schools in the county to have an Edge. Hayfield is located near Fort Belvoir in an area known as Kingstowne.

Edge, as far as I can tell, is the only visible campus ministry in the area. The hope and prayer of myself and the other youth leaders in the area is that the Edge will grow into all the other schools in the area. I truly believe that God is going

to open the door into those other schools, and I'm encouraged by the interest in the club so far at Hayfield.

Last week was the club's first encounter week where Pastor Barry Phipps came in as a speaker. We had 30 students there, which was so amazing, and 3 students showed an interest in making a first time commitment to Christ. This week was a great reminder to me of the huge obligation we have to reach the students in the Kingstowne area and Northern Va. I am so excited and encouraged by what God is doing and going to do at Hayfield!"

Dustin and his wife Katie serve as Youth Pastors at Harvest Assembly of God.

## Thank You For Supporting Edge

Cutting EDGE Ministries is grateful for strategic business partners who choose to give generously to the work God is doing in our schools. We wanted to take a moment to express our appreciation for their heart for youth and willingness to respond to the promptings of the Lord.

Thank you, You bless God's kingdom and you bless us!

## Our Mission

The Edge exists to connect students to Jesus and a local church.

## Our Vision

To encourage, equip, and empower Christian students to share the gospel with **every student in every secondary school** in our community.

## Our Values for Campus Ministry

1. The Edge is a church-based, campus-centered, evangelistic ministry.
2. To reach students today we must go where they are.
3. The Edge must be initiated and led by students.
4. The Edge is dependent on local church involvement.
5. The focus of Edge is the presentation of the Gospel of Jesus Christ without distortion or the distractions of denominational, theological, or organizational issues.
6. A young person's Christian growth must include participation in a local, gospel-preaching church.
7. Our Strategic Youth Ministry Partnership is built upon common beliefs shared by all Bible-based Christians.
8. Trust among participants is the cornerstone of Youth Ministry Partnerships.
9. Adult volunteers are to live a Christ-centered life, one of personal integrity.
10. Adult volunteers are to be supportive and non-critical of other youth ministries.
11. Adult volunteers are "stewards," not "owners," of students in their youth ministry programs.
12. Youth workers can maximize their ministry impact on youth by working together.
13. The presentation of the gospel must not be compromised, and should be presented in a way that is relevant to the youth culture.
